**PETITION FOR SUSPENSION OF
ACTION UNDER 37 C.F.R. § 103(a)**

Dear Sir:

It is respectfully requested that action by the Office in the above-referenced application be suspended for a period of six (6) months. The fee set forth in 37 C.F.R. § 1.17(h) for the present petition should be charged to our Deposit Account No. 12-1095.

The assignee is currently considering the possibility of presenting new claims to replace the claims presently on file in this application or in a continuation application. Granting of the presently-requested suspension, thus, will conserve the resources of the Office and avoid the need for the Office to issue an action which mostly likely will be rendered moot by further prosecution in the present application or in a possible continuation application. Further, the present request is not prejudicial to the public, in that the present application has been or will be published and, indeed, the parent applications have already been granted as patents, so that the disclosure of the application is already known to the public.

Docket No.: TESSERA 3.0-030 CIP V DIV CONT

If there are any additional charges in connection with this response, the Examiner is authorized to charge Deposit Account No. 12-1095 therefor.

Dated: May 15, 2002

Respectfully submitted,

By
